

## **GROUP PARTIES**

Our restaurant can cater private groups of up to 60 people at our location. To ensure exceptional service for large reservations of 10 or more guests, we encourage our reservations to order from our Function or set menus.

We're happy to make adjustments to our Charm Function menu for your group to accommodate guests with specific dietary requirements or any other reason, but request you inform us at the time of booking or confirming your reservation. You're also more than welcome to pre-order a group menu as well.

We require confirmation of the number of guests in your party by 5:30 pm one day prior to your reservation.

If there is no confirmation for the reservation, we reserve the right to assume the reservation is cancelled or not confirmed and will offer the reserved table opening to other guests.

Thank you for your understanding.

**Thank you and Khup Khun Krup**
